Oswald-phone numbers 2/1/69

Paul, Gary, Harold Weisberg

Did I ever tell you, or did you learn on your own and check out, these phone numbers in Oswald's pocket when he was shot? They are from CD495.

AL2-4611 (or AC-2)
CO7-3110
OR9-9450
RI8-9711

The first and third are consistent with New York (Abt?), the fourth with Dallas. It sure seems familiar.

It is my recollection that under usual jail procedures, everything it taken away from the prisoner. This being the case, these were numbers he got after his arrest.

I regret this was one of the first things I noted in the Archives, when, not having any money, I was buying almost no documents. So, I do not have the handwriting.
